

REQUEST FOR PROVIDER

Reply to Steve Harper e-mail only by 1/6/12: sharper@blanchardvalley.org

Consumer's sex/age: 25

Area where consumer lives: McComb, OH

Ambulatory or Non-ambulatory: non- ambulatory

Diagnosis: Cerebral Palsy and Grandmal seizures

Medications: Individual is on routine medications

Times Services are to be provided: Assistance with getting ready for work on weekdays in the morning and assistance with getting on bus/van.

Does the consumer go to any day program, school, or work? Day program & work

If so, what day program, work, or school and what are the hours: BVI & Kan Du Monday-Friday 9-3 PM. May change soon though.

Request for what Program: Level 1 respite services

Numbers of hours of services per month: Up to 20-25 hours monthly at most.

Consumer's preferences in provider: female only

Leisure activities consumer enjoys: watching TV, put puzzles together, participate in community activities, Hang out with my sister.

Additional Comments: Client doesn't have formal behavior plan but provider must be firm and assertive in a kind way with client so client knows what is expected of her. Team is currently addressing some behavioral concerns with client. Staff should have experience with working with individuals who have seizures.

What other services does the consumer need/want? Respite services as requested by guardian on weekends and possibly throughout the week.
