

Brick Memorial/Courtyard

Blanchard Valley Center is in the process of building a brick memorial/courtyard around our newly, refurbished and relocated flag pole. We are inviting you to help us with this endeavor.

We are asking those who are interested in purchasing a brick(s) to help build this area by filling out and returning the bottom portion of this page to the fiscal Office.

Bricks can be purchased for \$50.00 and you can have your message printed on the bricks (up to 3 lines). Messages can say for example "Congratulations, In Memory of.... In Honor of, Class of".... or just a name.

For more information contact Blanchard Valley Center at 419-422-6387.
