Medication Administration Updates  
from Michelle Darrach, RN Health Educator

### **New: Med. Admin. Curriculum, Web Page**

The Ohio Department of Developmental Disabilities has redesigned the [Medication Administration](#) page for easy access to information about medication administration, certifications, Registered Nurse QA reviews, nursing continuing education, and other health care information.

Included in the curriculum section of the Medication Administration page is a [revised edition](#) of the Category 1 Medication Certification Training Curriculum and Skills Checklists.

### **BVC Training Calendars**

The **Medication Administration Initial Certification Calendar** and the **Certification Renewal Class Calendar** have been revised to accommodate Training Center needs. Please check the Blanchard Valley Center website for current training calendars.
