

Are you the person I'm looking for?

I am a 26-year-old man who lives in Findlay, OH

I need a provider to help me with:

I need a respite provider to ensure my needs are being met when my primary provider is unable to.

Some of the things that are important to me are:

Watching sports, playing with my monster trucks, trains, toy cars, and interacting with my peers.

Some of the things that are important for me are:

Seeing my doctors regularly, routine/structure/having a consistent schedule, and getting enough exercise.

Who?

I am looking for someone who is friendly and social, and who will listen when I express my wants and needs.

What?

I am on an IO waiver and would need someone to provide respite services on a monthly basis.

How?

I need hands on assistance with most activities of daily living, but I am independent with mobility. I require visual supervision in the community and general supervision at home.

When?

Will discuss with provider and guardian to determine how many hours and what dates. I would want someone to start as soon as possible.

Interested?
